A matter of Urgent Public Importance Calling Attention to immediate need to pay remunerative prices to sugarcane growers for their produce in view of fall in production of sugar

MR. CHAIRMAN: Calling Attention. Shri Kalpnath Rai.

श्री कल्पनाथ राय (उत्तर प्रदेश) : सभापति महोदय, आप की आज्ञा से मैं देश में चीनी के उत्पादन में गिरावट को ध्यान में रखते हुए मुझा उत्पादकों को उन की उपज के लिये लाभकारी मूल्य प्रदान किये जाने की तत्काल आवश्यकता तथा इस विषय में सरकार द्वारा की गयी कार्यवाही की ओर खाद्य और नागरिक पूर्ति मंत्री का ध्यान दिलाता हूं।

THE MINISTER OF STATE OF THS- MINISTRY OF FOOD AND CIVIL SUPPLIES (SHRI K. P. SlNGH DEO): Sir, In the first instance, I would like to thank the Hon'ble Members of this House for providing this opportunity to discuss this important subject as well as to share Government's thinking and clarify its actions in the matter of ensuring remunerative prices to the sugarcane growers and for reversing the downward trend in sugar production- which had been somewhat slugglish during the last two years.

The Central Government fixes the statutory minimum prices of sugarcane payable by vacuum pan sugar factories. The sugar industry, as Hon'ble Members are aware, utilises a little over l/3rd of the total cane crop, while the rest of it goes mostly tor use in the unorganised sectors. While fixing the statutory minimum prices of sugarcane, the cost of production of sugarcane, the return to, the grower from alternative crops and the general trend of prices of agricultural commodities, the recovery of sugar from sugarcane apart from other factors are taken into consideration. The crux of the policy followed by the Central Gopernment lies in strinking a harmonious balance between the interests of growers of sugarcane- producers of sugar and its consumers. It is considered that a further increase in the statutory minimum price would necessitate a further upward revision of the levy sugar price, which would be against the interests of the whole population including the vulnerable sections.

The prices fixed by the Central Government ar; only floor prices below which no producer of sugar can pay. They primarily safeguard growers from) exploitation in a year of glut in sugarcane production.

For the sugar season 1985-86, the statutory minimum price has been fixed at Rs. 16.50 per quintal linked to a recovery of 8.5 per cent. This marks an increase of Rs. 2.50 per quintal over, the minimum price fixed for the last season. I am confident that the Hon'ble Members will appreciate the fact that this was the price recommended by the Commission of Agricultural Costs and Prices, the expert body on agricultural costs and. prices. Apart from this, Government have also announced the statutory-minimum price for the season 1986-87 as Rs. 17 per quintal in order to enthuse the farmers to grow more sugarcane and have thus met a longstanding demand of the agriculturists aa well as some of the Hon'ble Members to announce sugarcane prices in advance of commencement of the planting season. This substantial Increase in the statutory minimum price ot!
